Re: U.S. Patent No.: 6,910,013 B2  
Issued: June 21, 2005  
Inventor: Silvia Allegro et al.  
Our Docket: 33234

Sir:

On August 14, 2006 a request for a Certificate of Correction for the above-identified patent registration was requested. A check in the amount of \$100 was enclosed with the request, which the PTO received on August 18, 2006, as shown on the enclosed copy of our remittance, the date stamp on the Certificate of Correction and the copy of the return postcard.

On August 30, 2006, a Notification of Return of Papers was received from the PTO, regarding the request for a Certificate of Correction (copy enclosed).

On September 5, 2006 a response to the above-mentioned notice was sent (copy enclosed) along with a second request for a Certificate of Correction, which was received by the PTO on September 8, 2006, as shown on the enclosed copy of the return postcard.

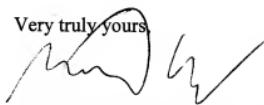

This comes as a third request for a Certificate of Correction under 35 U.S.C. 254 and 35 U.S.C. 255 to correct Patent Office and Applicant printing errors in the above-identified patent. Enclosed herewith is a copy of the previously proposed Certificate of Correction (Form No. PTO-1050) for consideration.

It is requested that the Certificate of Correction be completed and mailed at an early date to the undersigned attorney of record. The proposed corrections are obvious ones and do not in any way change the sense of the application.

Re: 6,910,013  
Certificate of Correction  
TSW-33234

A check in the amount of \$100 was previously submitted with the original request for a Certificate of Correction, thus no further payment is required.

Very truly yours,
